Ref. No. STPIM/Pune/COE/Automotive/2019

Date:18.03.2020

**Subject**                                **Corrigendum after Pre-Bid Meeting for Supply, Installation, Testing and Commissioning of Lab Equipment for “MOTION-CoE” with total comprehensive support for 5 years.**

**Tender Ref No.**                        **STPI/P/PUR/14/2019-20 Dated 04.03.2020.**

**Table-A**

S. No.	Enquiry of the bidders	Proposed Response
1	<p>In respect of Category wise division of Bill of Material as published in the RFP, following requests have been made by the bidders,</p> <p>a) The entire BoQ may be supplied by one bidder only.</p> <p>b) Category A: General Equipment and Software may be sub-divided into 2 categories.</p> <p>c) Bidder should be allowed to bid for individual items.</p>	<p>Category wise bidding is done to allow a greater number of bidders to participate. A bidder is also allowed to bid for one or more number of categories, as already explained in bid document. Any sub-division of categories or item wise bidding will cause confusion for bidders and administrative and management issues such as AMC, asset management, possible compatibility issues, etc. for STPI/ AIC STPINEXT INITIATIVES.</p>
2	<p>Some queries are raised to change the technical specifications mentioned in Annexure-I, Bill of Material of the Bid Document.</p>	<p>As per Section II, para 14 (i) of the bid document, “The technical specifications mentioned in Annexure-I (Bill of Material) are minimum requirement” As per Section II, para 14 (iii) of the bid document, “The supplier should quote the products either with the technical specifications strictly as mentioned in the Annexure-I (Bill of Material) or higher and only of technically reputed, reliable and globally acclaimed brands / OEMs.”</p>
3	<p>Payment terms may be changed to increase the advance amount payable to bidder</p>	<p>No change</p>
4	<p>Whether GST or Custom exemptions are applicable to STPI/ AIC STPINEXT INITIATIVES?</p>	<p>Not Applicable</p>
5	<p>A request for extension/ postponing the pre-bid meeting to 17<sup>th</sup> Mar. 2020 (1 day later than scheduled date) was received via email dated 16<sup>th</sup> Mar. 2020 at 12:17 PM from a perspective bidder.</p>	<p>Pre Bid meeting was ongoing at the time of receipt of mail from prospective bidder, hence request not considered.</p>

There are some typographic errors in the bid document. The corrections have been highlighted (Bold, italics and Underlined) and tabulated below

1. In the bid document, Annexure-I, Category A: General Equipment and Software, Serial No.- 1 is changed to

Table-B

No.	Equipment Category	Item Description	Minimum Specifications	Remark
1	Oscilloscopes and Accessories	OSCILLOSCOPE, MSO, 1 GHZ	x) <b><u>Required</u></b> serial bus trigger, decode and analysis: I2C, SPI, RS-32/422/485/UART, CAN, LIN, FlexRay, USB 2.0, Ethernet, I2S, LJ, RJ, TDM	

2. In the bid document, Annexure-I, Category A: General Equipment and Software, Serial No.- 7 is to be Removed.

Table-C

No.	Equipment Category	Item Description	Minimum Specifications	Remark
<del>7</del>	<del>Spectrum Analyzer</del>	<del>Spectrum Analyzer (6 Ghz)</del>	<del>RF input frequency range: 9 kHz to 6 GHz</del> <del>IF bandwidth: 40 Mhz</del> <del>ADC sample rate and bit width: 100 Ms/s, 14 bits</del> <del>Displayed Average Noise Level (DANL) @ 1 Ghz : ≤ 158 dBm/Hz or better</del> <del>Trace Function: Normal, Average (VRMS), Max Hold, Min Hold, Average of Logs</del> <del>RF input: N type Connector</del> <del>Spectrum analysis Software: Software should be available to connect &amp; control Spectrum analyzer using laptop/PC.</del>	

3. In the bid document, Annexure-I, Category C: Electric Voltage Lab equipment, Serial No.- 10, following item is to be ADDED

Table D

No.	Equipment Category	Item Description	Minimum Specifications	Remark
10	<b><u>Personnel Protection Safety Kit</u></b>		<b><u>All the personal safety gear required for working in High Voltage lab e.g. high insulation/ EV safety boots, High insulation safety gloves, working gloves, safety goggles, helmets, LED Torch, etc.</u></b>	

4. In the bid document, Annexure-III, Format of Commercial proposal for Category A: General Equipment and Software, Serial No.-10, 11 and 12 may be changed to

Table E

No	Equipment Category	Item Description	Applicable Warranty (in Years)	Units Price (INR)	Units	Total Price (INR)	Total Comprehensive AMC Cost (In Rs.)
A	B	C	D	E	F	G = E x F	H
10	Power supply	<u>80V/40A, 2 Channel (It must give 14A at 60V DC)</u>			2		
11	Power supply	<u>80V/40A, 2 Channel (It must give 24A at 36V DC)</u>			3		
12	Power supply	<u>200V/60A, 2 Channel (It must give 50A at 100V DC)</u>			1
